What are my obligations?

- You must provide complete and accurate answers to any question we ask when you take out, make changes or renew your cover.
- You must be a UK resident and be registered with an NHS GP.
- You must tell us immediately if at any time any of the information is incorrect or changes are required to your policy. Failure to do so may result in your insurance becoming invalid.
- You must review your policy documents and schedule of cover upon purchase and at renewal of your policy to ensure that it meets your requirements.
- You must provide any information we require including medical information, to assess any potential claim. We strongly recommend that you contact us prior to making arrangements for treatment so we can confirm what will and will not be covered.
- You must pay your premiums on or around the date that they are due and you must pay any excess applicable to your policy when requested.

When and how do I pay?

You can pay your premium annually by direct debit, debit/credit card, bank transfer or cheque. You can pay monthly by direct debit - there are no additional charges for paying monthly.

When does the cover start and end?

The cover commences on the day specified on your 'Schedule of Cover'. The policy is for a minimum period of one year and is automatically renewable each year, unless you cancel your policy.

How do I cancel the contract?

You can cancel your policy during the 14 day cooling off period, which applies on purchase and at renewal. This period commences on the day your cover starts or on receipt or access to your policy documentation, whichever is the later. We will refund any premium paid at the date of cancellation, providing you have not used any of the services available on your cover and no claims have been made.

If you cancel your cover after 14 days, providing you have not used any of the services available on your cover or attempted to make any claims, you can do this by giving us at least 30 days notice. If you have used any of the services on your policy or attempted to make a claim, you will need to pay the remainder of the annual premium.

You may cancel your policy in writing: General & Medical Healthcare, General & Medical House, Napier Place, Peterborough, PE2 6XN or by calling us on 0800 970 9442. Our calls may be recorded and monitored.
